Update on the Wastewater Treatment Plant Upgrade and Expansion Project

You are invited to attend a neighborhood meeting to learn about the upcoming work to upgrade and improve the San Mateo wastewater treatment plant. This work is being done under the City's Clean Water Program. The meeting will provide general information about the Program, as well as the activities planned for the wastewater treatment plant site.

Meeting will start promptly at 6:00 p.m., with a formal presentation and time for questions, followed by an open house with information stations.
